SYDNEY 2000

Message from Her Excellency, Professor Marie Bashir AC CVO

**Australian Huay Kwan Association
30th Anniversary**

It gives me great pleasure to congratulate the Australian Hokkien Huay Kwan Association on its 30th Anniversary celebration.

I have been informed that the Australian Hokkien Huay Kwan Association has helped to promote the Chinese culture and to strengthen their contribution to the multicultural community of Australia. Indeed the Association has worked to deepen the understanding and friendship between China and Australia.

The 30th Anniversary celebration is an important celebration of the contribution which Australians of Chinese heritage, especially those from Hokkien (Fujian Province), have made to our society over many years.

I extend to all a most enjoyable and memorable celebration of the 30th Anniversary, and I wish you all the best in the years ahead.

Professor Marie R Bashir AC CVO
Governor of New South Wales
